To Whom It May Concern:

This letter serves to support the efforts of the WVSH/Huntington Community Gardens FYFAR grant application. It is wonderful to see many volunteers participate in this project and we look forward to their similar involvement during 2010.

The Huntington WV Housing Authority has greatly benefited from the efforts of the local WVSU/HCG Project during 2009. Representatives from the WVSU/HCG were instrumental in leading youth and volunteers to create beautiful gardens within three (3) different public housing family developments in Huntington, West Virginia.

On behalf of our families and employees, we are very appreciative of their efforts and look forward to working with them again in the future as we have additional public housing settings in Huntington that can be made available to support an expanded HCG's Project. Our agency could possibly donate a few items to the cause. Should you have questions about this letter, please contact me at 304.526.4400. Thank you.

Sincerely,

Michele Hargis, Deputy Director
